**KATRINA FOLEY** for Supervisor

THE *Experience* TO MAKE A DIFFERENCE

*As your Supervisor, I'll use facts  
and science to protect public health,  
implement commonsense solutions*

to help local businesses and workers recover, and find new ideas  
to solve the unprecedented problems we face.

I believe that my experiences — as a local Mayor, Councilmember,  
School Board Member, and business owner – make me uniquely  
qualified to serve on our Board of Supervisors at this critical time.

*I'd be honored to earn your vote.*
